

Isa Knox Anew Clinical Collagen Booster Rejuvenating Serum Ampoules

This ampoule keeps serum potent and helps skin boost natural collagen!

What It Is

The capsulated single use ampoules keep formula fresh and potent. Serum boosts skin's natural collagen production. It helps fight visible signs of aging including lines and wrinkles for a more youthful appearance. Provides an immediate smoothing effect that visibly minimizes the appearance of pores and fine lines.

Why We Love It

- Deluxe skin care.
- Powerful serum encapsulated in individual use ampoules.
- Provides immediate smoothing effect that visibly minimizes fine lines and (bonus benefit!) helps with the appearance of pores.
- Boosts elasticity and improves firmness.
- Helps fight visible signs of aging for a more youthful appearance.
- Free-from: sulfates, parabens, phthalates, fragrances, mineral oils, and petrolatum.
- And also:
 - Vegan
 - Hypoallergenic
 - Clinically tested
 - Dermatologist tested

Key Ingredient

- Blend of Peptides (Help to re-volumize skin through stimulating the body's natural production of collagen).

How To Use It

- Use daily.
- In the AM and PM, smooth gently over cleansed skin in an upward and outward motion.
- Can be used after use of Microneedling Polisher for extra collagen boosting benefit.

The Results Are In (Claims)

- Contains ingredients that increase the amount of collagen by 65% in just 48 hours (cell-cultured study).
- This regimen (Ampoules + Polisher) is clinically proven to significantly reduce wrinkle depth and improve skin's firmness and elasticity after 14 days, with even better improvement after 28 days.
